FACULTY—10

ACTIVITIES & SPORTS—34

CARDINAL DOUGHERTY

HIGH SCHOOL, PHILADELPHIA, PA 19120

The 1985-1986 school year is now finished. Anxiously looked forward to last September by the freshmen, who were going to "start high school" and by seniors, who were going to "finish high school," the school year is now history. The knowledge learned will hopefully be of use in future years. The physical strength acquired will uphold us in our waning years. The new friendships gained will hopefully be a source of joy throughout our lives. The spiritual experiences will serve us well in this life as well as in the next. This is what school is all about, a preparation for the future be it long or short. This year, therefore, spent at Cardinal Dougherty High School will be judged years from now as one of success or less.

On the following pages we have attempted to record, mostly in picture form, the happenings of the past year. We have dared to venture into a new approach in several areas in an effort to keep up with the "Spirit of the 80's." We wish, therefore, that our effort will please you, so that a year, or years from now, this book will be a vivid, happy pictorial reminder of this year spent at Cardinal Dougherty.

THE HOME OF FUTURE DRA

Variety

"Well? Do we go in today or not?"

2:46 P.M.

"She's not heavy. She's my sister."

2:47 P.M.

2:48 P.M.

"Then we stayed here for three days."

"Aber, auf deutch, bitte."

"Some day I hope to model for 'Sears'."

"Code blue! Blocked toilet on the second floor!"

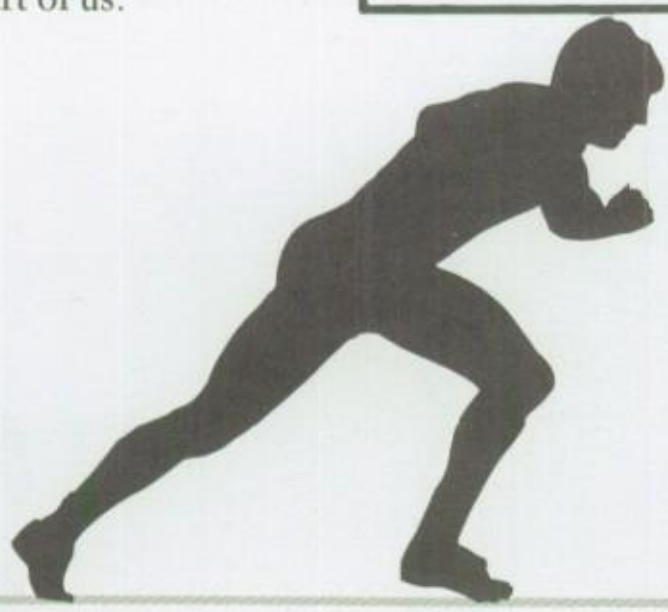
2:49 P.M.

". . . and that's what was on the missing 18 minutes of the Nixon tapes."

"Sure, I'm glad we didn't go on strike."

The Faculty, our mentors, have truly been an essential part in our conquest of knowledge. Over the years, their expertise, knowledge, and skills have laid the foundation for us to achieve success along life's path. They have taught us the value of learning, the value of friendship, the value of hard work, and the value of dignity. Many of them went beyond their academic realm and truly became our friends as well as educators. The dedication and never-ending guidance of the faculty have inspired us to thank you in this special way:

Thanks for the time that you've given to us, the memories will always stay in our minds. The strength you've given us, to lead us on our way to our conquest for knowledge of Christ and life each day will always be a part of us.



READY!

FACULTY

His Eminence John Cardinal Krol, D.D., J.C.D.
Archbishop of Philadelphia

Dedication

"Well done, good and faithful servant" to both our beloved Cardinal-Archbishop and Principal. Both have reached a momentous milestone this year in their lives as priest, educator and administrator.

To have done something well is good in itself, but to have done it well over a 25-year period is even better. Both our jubilarians have occasion to celebrate their silver anniversary this year — his Eminence John Cardinal Krol as Archbishop of our Archdiocese of Philadelphia and Father Louis A. D'Addezio as a priest.

We congratulate both on this happy occasion as we recall how active both have been in the fulfillment of their calling.

Space does not allow us to mention every accomplishment each has made. However, we must call to mind that it was at the suggestion of Cardinal Krol that our school was to become co-ed and it was under our energetic principal, Father D'Addezio that this was accomplished.

We are happy to celebrate these happy occasions with you both, and to you, we dedicate our yearbook.

In closing, to our indefatigable Cardinal Krol, we say, "Sto Lat" and to our most beloved Principal we wish, "Ad Multos Annos."

God bless you both!

Cardinal Krol accompanying His Holiness, Pope John Paul II, upon his arrival in Philadelphia, October 3, 1979.

Cardinal Krol's arrival at Cardindal Dougherty to celebrate our 25th Anniversary, March 30, 1981.

Administration

Dear Class of '86:

There is a special place in my heart for the Class of '86. We both arrived at CD at the same time!

Much has happened these past four years, in your school, and in your lives. We shared many firsts and experienced many lasts; cheered when we were on top and cried at the grave of sorrow.

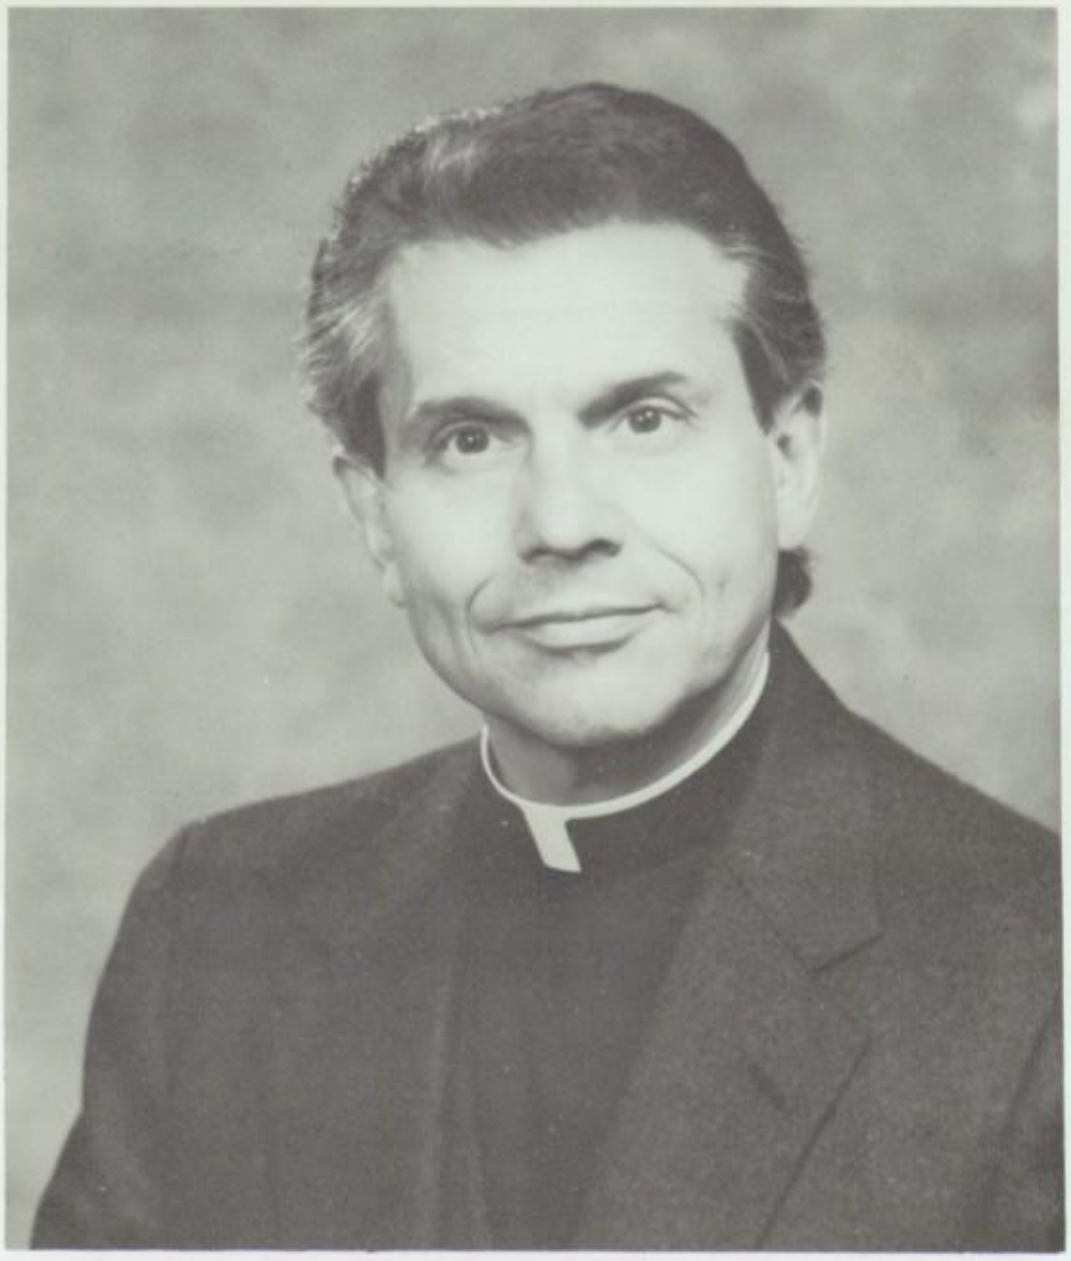
I have come to love and appreciate the true meaning of "WE ARE CD." You must now take that CD pride and live it. What the future holds, we do not know; however, what you do with your future you control.

Don't ever settle for second best; don't ever quit because it is yours if you want it strongly enough. It is your choice now!

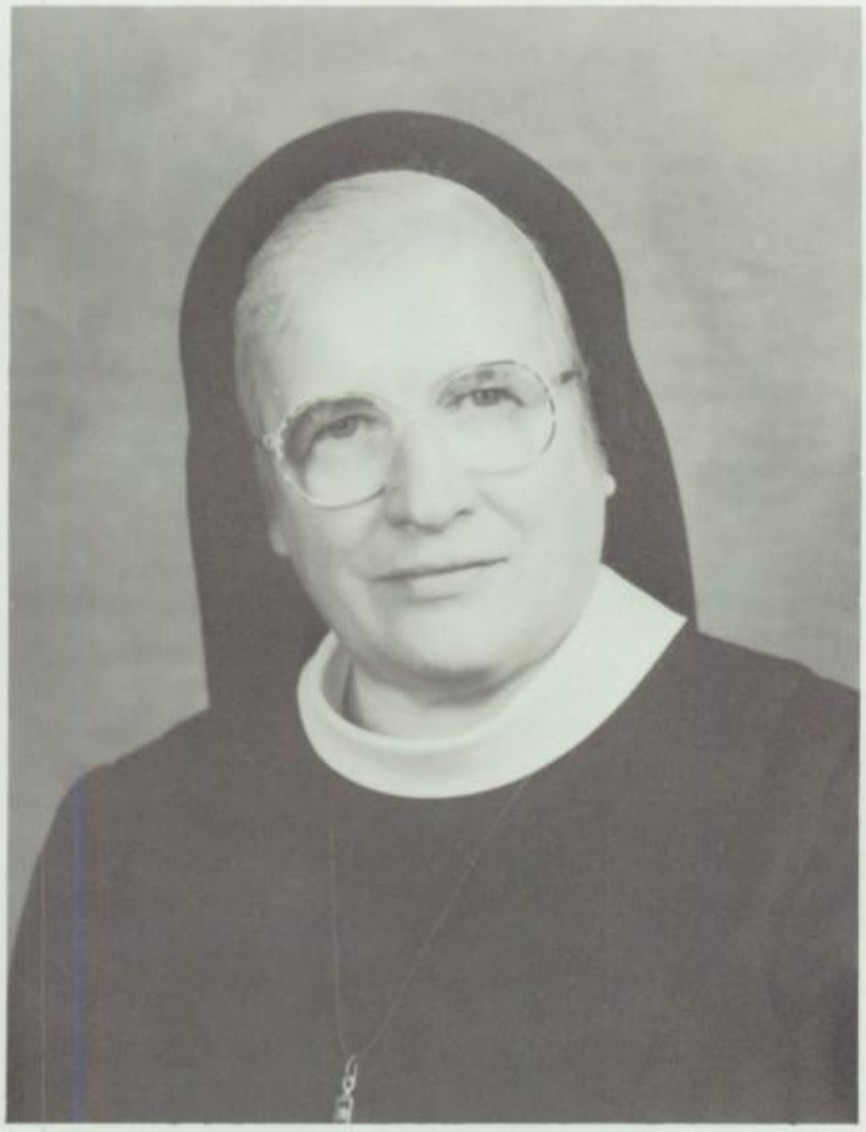
May Our Lord give you wisdom to know, courage to do, faith to believe and love to be happy.

I wish all of you every kindness, good health, happiness and God's blessing always.

Remember always,
a Principal who is proud of you,
Father D'Addezio



Reverend Louis A. D'Addezio, Principal



Sister M. Evarista, S.S.J., Vice-Principal

Sister Marie Anastasia, I.H.M., Dean of Studies

Mr. John Dampf, Dean of Activities

Mr. George Stratts, Dean of Student Affairs

Miss Marguerite Nicholson, Dean of School Community

English

The four years of English taken at Cardinal Dougherty give the student a better understanding of the developments of American Literature and English Literature. During this time the student is geared toward the skills of language arts, literature and vocabulary. The work done varies from student to student, depending on their ability level and grade level.

Writing reports, library papers, research papers and reading books are just some of the many things required.

Literature study concentrates on fiction, non-fiction, poetry and drama. It gives the students a solid foundation in the basic skills of literature.

Mr. Francis X. Rauscher

And for tonight, you will read . . .

Social Studies

Social Studies plays an important role in the development of our education here at C.D. It provides us with the knowledge of our ancestors and the development of our world as we know it today.

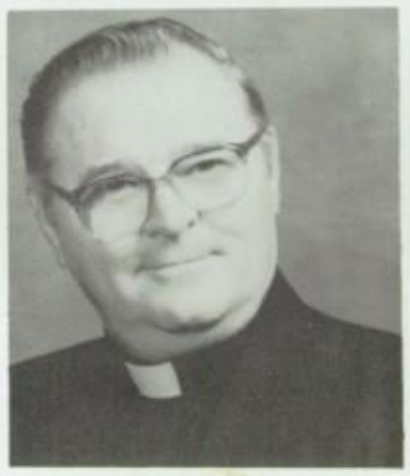
Our history department is one of the finest. It provides us with many interesting courses and a chance to explore our world through history books and courses from Western World as a Freshman to U.S. History or Government as a Junior or Senior.

Mrs. Denise M. Falconi

Father Robert H. Breen

Mr. Donald J. Butler

Mr. John J. Fitzsimmons



Father Francis E. Fox

Miss Margaret L. Recupido

Mr. Marion F. Staniszewski

Mr. Curt Wrzeszczynski

So that's why it's called the "Hundred Years' War."

Mathematics

Many students find math a challenging but interesting subject. It is challenging in that there are many different ways of solving mathematical problems.

In Algebra I, you are taught mostly basics, which become very important in order to learn other more advanced concepts of math.

In Geometry, which is taught in the sophomore year, you learn about the different kinds of geometric shapes. Geometry is very important to learn because in order to do well in SAT's you must know many of the things you are taught in formulas for finding the areas, lengths and widths of figures.

More advanced courses are also taught, viz., calculus, trigonometry, and analytical geometry.

But this isn't what Pythagoras taught.

Mr. Joseph P. Caruso

Mr. Dennis F. Cain

Mr. Robert D. D. Esposito

Mr. Harry F. Flanagan

Brother Michael J. Lonsway, FC

Sister M. Mechtilda, SSJ

Mr. Robert J. Ousey

Mr. Francis P. Spino

Miss Marianne Toohey

Computer Science

Three courses in Computers are offered to the students. Computer Application teaches the use of Computer for word-processing, spread sheets and File Management, using the IBM P.C. and IBM P.C. Jr.

In Computer Science, students, using PASCAL, are taught programming logic, algorithms and Information Representation, on the Commodore-64 and Apple II + .

Programming in BASIC is taught to show students how to solve problems on the Commodore-64 and Apple II + .

For general student use, a Radio Shack Model 4 is available in the Library on the same basis as any library resource.

Mr. Peter Fallon

Now to press "Enter."

Science

The Science courses offered challenge the curiosity and the intellectual ability of the science-oriented student.

Freshmen may study Introductory Physical Science (I.P.S.), Physical Science or Biology, which stresses laboratory research. The student who exhibits excellent capability in Science as well as Mathematics may study Chemistry in the Sophomore year. This course introduces the learner to problems and concepts involving elements. This same student might encounter physics in his Junior year. This course places emphasis on the mathematical description of physical phenomena and theoretical analysis of physical problems. Earth and Space Science is also offered to interested students. Advanced Biology, an in-depth study of Biological topics, and Anatomy and Physiology, an in-depth study of the human body, are offered to the Seniors. Thus, the Senior graduates with a well-rounded knowledge of science and its application to realistic situations.

How hot *should* it be?

Business

Interest in business affairs and a basic knowledge of business operations are important for success in the business world as an employee or an owner. This is what Business Principles and Management offers.

Business Law involves learning an individual's rights and duties as a citizen, studying the Penal System, learning how to produce business contracts and even filling out your income taxes.

Bookkeepers and accountants are important to any business. Courses in Accounting are offered at Dougherty to promote success in life by teaching the accounting cycle and basic bookkeeping skills.

For those interested in the secretarial field, a course in stenography is offered. Basic Keyboard is required because it is an essential skill in life today with the rise of computers.

Sister Theresa B. O'Donnell, SSJ

Mr. Leo R. Amato

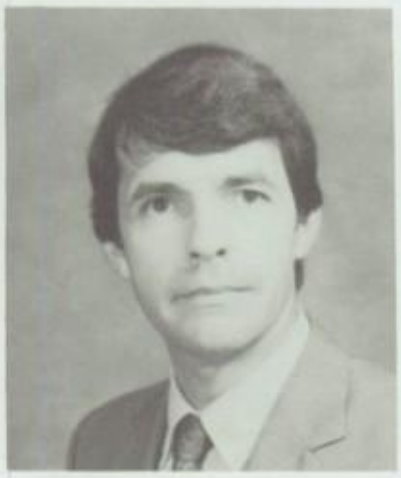
Sister M. Antonia, SSJ

Father Joseph W. Callahan

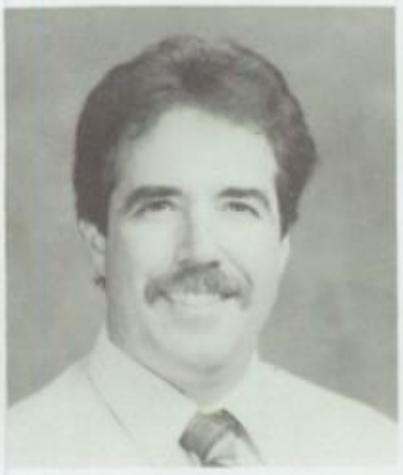
Mrs. Barbara Culbert

Mr. Henry P. McNichol

Mr. Paul R. Minehan



Mr. Walter A. Scheck



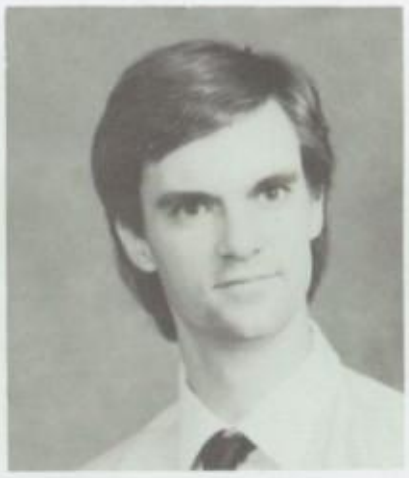
Mr. Cornelius J. Sullivan

Art

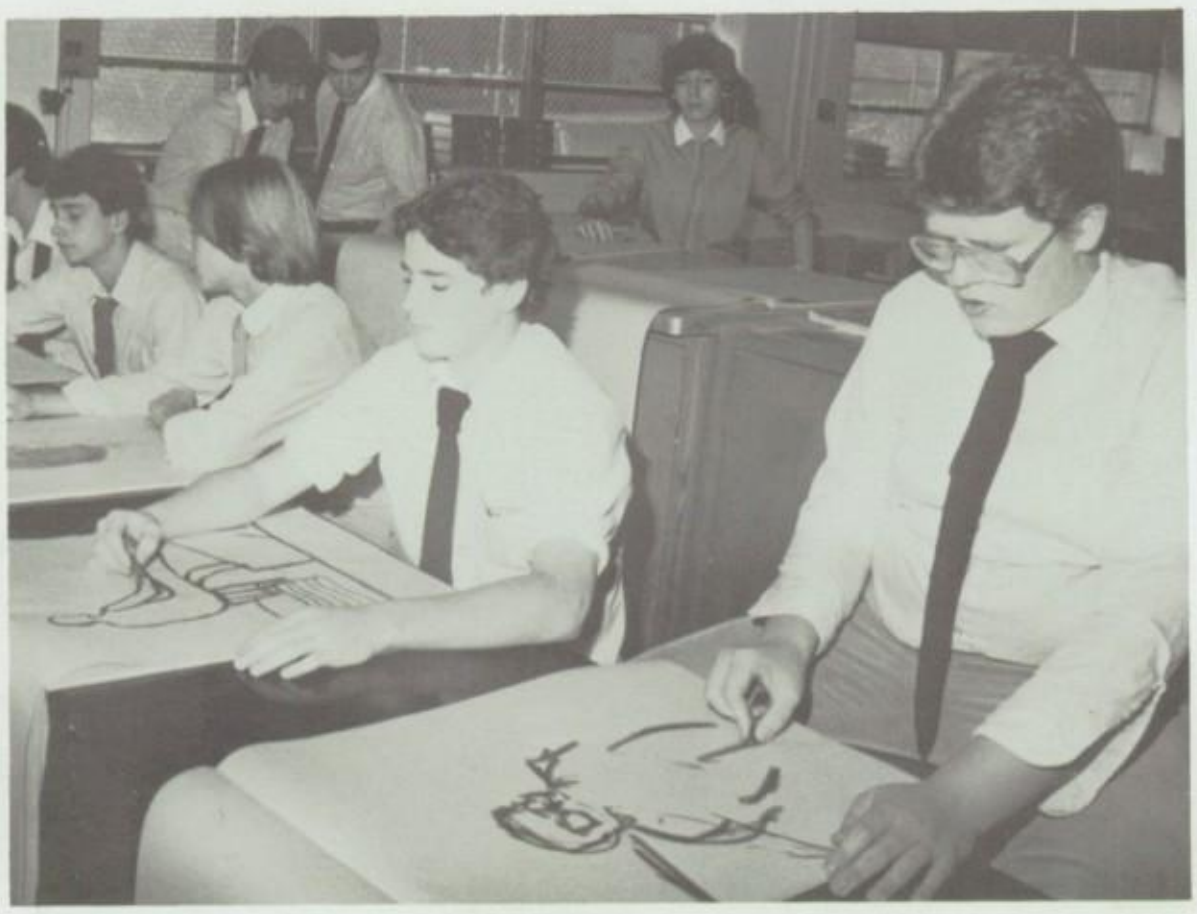
The serious Art student can develop a mature understanding of the academic problems facing artists. Emphasizing drawing skills, the student will explore the landscape, figure and still life as used in sculpture, print making, painting and color study.

Students interested in entering a career in technical drawing will find the Mechanical Drawing courses helpful toward this goal. Professionalism and specialization in the fields of drafting, industrial designing and engineering are emphasized, as well as related fields of electronics, architecture and architectural designing. Included in the course is portfolio development.

Mr. Arthur J. Carnegie



Mr. John T. Meehan, III



Another *Garfield?*

Sister Celeste Mokrzycki, SSJ

Religion

The Religion Department makes it possible for students to acquire a total education, being both academic and spiritual. The four years of Religion courses help students grow to Christian maturity. These courses follow the *Religion Curriculum Guidelines of the Archdiocese of Philadelphia.*

Each year opens up a new theme of religious studies. Freshmen year focuses on the contents of the Bible. Through this course the students receive a better understanding of themselves and their relationship to others and to God.

The nature of the Church and its foundation are presented in Sophomore year.

Juniors are exposed to the important area of morality. Students learn where the Catholic Church stands in regard to the social problems facing the world today. They also learn to decide and judge certain problems based on Church teachings.

The Catholic faith and teachings are reviewed in Senior year. The course also examines the special problems relating to marriage and the family. The objectives and contents of the Religion courses give the students an opportunity to "grow in wisdom, age and grace" as disciples of Christ.

See, ten Commandments: twelve Apostles.

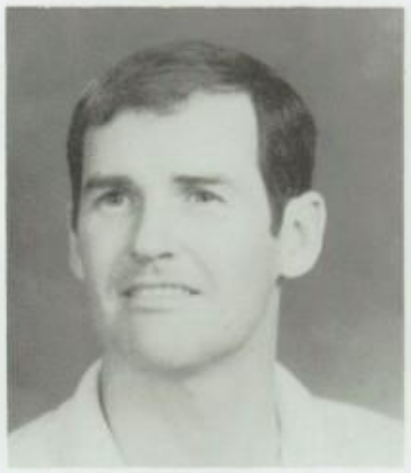
What's a ''cubic''?

Physical Education

Physical Education is offered in order to fulfill the requirement for Physical Education set down by the Commonwealth of Pennsylvania. In meeting that requirement we intended our program to be meaningful, offering to our students an opportunity to grow physically, mentally, socially and spiritually. We offer to our students a curriculum that consists of a wide variety of activities. Within the realm of these activities we try to develop a knowledge of rules, player positioning, strategy and skills. Our activities range from those of immediate interest to the students to those which can be developed into lifetime leisure activities. We also offer the student an opportunity to participate in activities which may be new and different from everyday interests. Many of our activities are structured so that leadership and sportsmanship can be developed. We do not intend that our classes exalt the superior athlete at the expense of the poorer performer. Yet, we try to commend the overachiever and encourage the underachiever. A student's grade is not based on how well he/she performs, but his/her willingness to participate.

The health courses intend to examine the growth and development of the individual physically, socially and emotionally, to promote right attitudes so that students are capable of making effective decisions regarding their health and that of the community.



Mr. James C. Caldwell

Mrs. Alice M. Faber

Mrs. Barbara B. McKee

Mrs. Dorothy Trainer-Antenucci

Foreign Language

The language department offers a good learning experience to the students. It goes beyond just learning the basic language and into the culture itself. Spanish, German, French and Latin classes are open to the students for a span of one to four years and each offers a club for extra activities. The language courses begin with developing reading and writing skills and expand into speaking and detailed knowledge of the Country.

Mrs. Barbara D. Mills

Mr. Alexandre Ely

Mr. Richard A. Giantisco

Mrs. Ruth H. Graves

Sister Loretta Mary, IHM

Mr. Robert Abernathy

Mrs. Angela M. Boyle

Home Economics

The Home Economics Department provides an opportunity for students to prepare for their future as it pertains to living in a home as a family where budgeting, food preparation and gracious living are part of everyday life.

The department also presents a comprehensive course in Child Development, which could be one of the most practical and important courses in all their high school experience. It is here the students are exposed first to the responsible role of being a parent. Secondly, the student learns about motherhood and baby care and the significance of environment, relationships, education, nutrition, and love, all of which shape a child's future.

Sister Joan Clare, SSJ

Sister Joanne Mongelli, SSJ

Music

The Music Program is divided into Instrumental Music and Music Theory.

Students interested in participating in the Orchestra, Marching Band, Concert Band, Jazz Ensemble and Theater Orchestra are expected to take instrumental lessons or provide information regarding lessons taken privately. Lessons are provided in Strings, Woodwinds, Brass, Percussion and Harp.

Music theory is open to all students, including those in the Instrumental Program, and is offered for four years. Music theory begins with music fundamentals advancing to the study of harmony. Advanced Theory for the accelerated music student, expands the student's knowledge of harmony and is presented through the analysis of appropriate compositions and original pieces.

Guidance

Counseling the students is the primary function of the Guidance Services by helping students assume responsibility for making plans and decisions.

The Counselors provide students with post high school educational opportunities, assist students in college planning, the selection of a school, applications for admissions and financial aid.

Student Appraisal and Testing programs are functions of this office.

CEP, CORA, LULAC, MEDICAL SERVICES and SHALOM are auxiliary services available to the students should their services be needed.

SISTER ANN CECILIA, S.S.J.

"I have called you by your name: You are mine." (Is.)

Sister Ann Cecilia died May 21, 1985, after serving at Cardinal Dougherty High School for eight years. Many students of the Business Department received their training, their business expertise from Sister's devotedness to her duty as teacher. Like Our Blessed Mother Mary, Sister was called and she, too, answered: "Here I am, Lord, I come to do Your Will." Her life was an example of one who strives to make the Word become flesh by the way she said her "yes" to God. Her surrender to God's Will led her to many fields of Catholic education for the sake of the building of the Kingdom. Sister's gentleness, her quiet sense of humor, her congeniality to all and at all times were the trademark of a woman whose consecration to God was whole and undivided. We at Cardinal Dougherty have lost an excellent teacher, a loyal friend. We pray that Sister Ann Cecilia is enjoying the eternal rest she so richly deserves.

In Europe, and throughout most of the world, the word school means one thing only — academics. All else, which to the American student is so important a part of growing up, viz., competitive sports, social activities, is not related to school. Instead, it is for the State to provide these needs independently of school.

Here at Cardinal Dougherty High School, however, the whole person is cared for. While never losing sight that the acquisition of academic knowledge is the foremost priority in our school, other activities are also included in the effort to produce a well-rounded, educated person; one who will have hopefully (for the rest of their life) a healthy mind in a healthy body — *mens sana in corpore sano,* as the Romans would say.

Every possible opportunity is made available so that each student has the chance to pursue an activity of his/her liking, from the experience of the bone crushing action of a wrestling match, to the exuberance of an appreciative audience as he/she performs in a school play, and to the blissful evening of a school dance.

Over the many years that our school has been opened, the most successfully happy alumni are those who participated in school activities, while they were students here at C.D.

Even though the largest organization in Cardinal Dougherty is the National Honor Society, not everyone "fits the bill" of an NHS member. All members pledge their service in tutoring and other important activities during the course of the school year. The members must also pledge to have character, show leadership and have scholarship ability. The students in the society should be loyal to the organization and live up to what it symbolizes. All of this would be impossible without the superb instruction of Mr. Fitzsimmons, Sister Rose Amata, and of course, the officers of the NHS.

Honor Society Pledge

I (your name) being aware of the honor which is being bestowed upon me by my election to membership in the National Honor Society do hereby pledge loyalty to this organization.

It shall be my earnest purpose to give unsparingly of my time and energy toward the promotion of all school activities.

I will strive to be at all times a model student and will never knowingly bring reproach upon my school.

I pledge myself to uphold the high purpose of this Society to which I have been elected, striving in every way by word and deed to make its ideals the ideals of my school and of my life.

Homecoming Festivities

by Maureen Quinter

Spirits really rose as Dougherty celebrated its "1985 Homecoming Weekend" on October 12 and 13. The events started off with the Homecoming Dar held in the cafeteria for all Dougher students on October 12.

Sunday, October 13, began with a spec Mass held in the Chapel by Father Michi Swierzy. The theme of the Mass was pr in our high school years. We should contir to grow and learn as much as we can at p sent, and remain close to God, who v always be by our side.

Next on the agenda for Sunday was the Homecoming Football Game against Eg at Northeast High field. The prega festivities kicked off with the introducti of the Seniors (and their parents) from t football and cheerleading squads, and fr the Marching Unit. Then came the arri of Father D'Addezio and the Homecom Queen and her Court riding in an o fashioned trolley and accompanied by t playing of the National Anthem.

As halftime rolled around the C.D. M ching Unit took to the field to entertain t audience with their high stepping dar routine and precision marching. Finally t moment everyone was waiting for—t them.

by Sharon Lawler

Our warmest congratulations are extend ed to the newly installed members of the Na tional Honor Society. Installation was held on October 31, the last day of Middle States Evaluation, in order to show off Cardinal Dougherty's academically gifted students.

C.D.

Tuesday, October 8, and Wednesday, October 9 might have been two days of rest and relaxation for some, but for those who helped with the Archdiocesan In-Service days at C.D., it was quite the contrary.

Each year the Archdiocesan Catholic School System conducts a convention for all Archdiocesan elementary and secondary school teachers in order to share ideas and regulate classroom activity. This year, the honor was given to Cardinal Dougherty to act as host and center of activity. This gave C.D. a chance to display itself as the great school it is.

The entirety of the program was under the direction of Miss Hilda Carr and Ms. Jane McErlane. Ms. McErlane is currently the Director of Activities at Lansdale Catholic High. When asked for comments concerning the program she responded, "In all, the day went extremely well. It's the best one we've ever run. I'm very appreciative for all the help that I received from the administration, faculty, staff, and especially the students—they were great!"

The day began with a liturgical service in the auditorium followed by seminars and workshops for each area of study. Both gymnasiums were transformed into exhibition centers displaying the many products and supplies used by schools. It was fun for everyone who participated and a great chance to show everyone what we mean by "We are C.D."

—Maura Keenan
Dianne Donnelly

is off to another year in celebration of the ancient language. The club's meetings include Latin Bingo and decorating Room 202 in the spirit of the Roman culture. They are planning a liturgy in Latin, to be celebrated by Father Stec in the Chapel on Dec. 10, at 3 P.M. The Mass will be followed by a small party (no togas please). All students and faculty are invited.

—Christine Caviston

C.S.C.

This program headed by Father Holmes embodies many Christian values. They have just completed a very successful CROP-WALK And are looking forward to their Operation Santa Claus which is just around the corner. Presently there are visits to hospices and senior citizens on the C.S.C. agenda.

—Mark McDonnell

Classroom Corner

German Club

This year's officers of the German Club are: William Schaefer, A-17, president and Kevin Murphy, B-12, vice-president. The club kicked off its public activities with attendance at the Von Steuben Day parade in center city. Its latest success was the Mini Oktoberfest on October 24 which included folksongs and folk dancing and traditional German sweets. A commemoration of the Grimm Brothers and their fairy tales is in the works.

—Marian Meister
Susan Feltenberger

Mathletes

The Mathletes commenced calculating on September 30 at a meet held at Archbishop Conwell. Here they placed sixth out of eleven teams with 21 points. Working hard under the moderation of Brother Michael Lonsway, they improved to 4th out of 15 teams on October 28th at St. Hubert's. Seven more meets are left. CD is planning to have two teams competing—one Junior team and one Senior team.

—Jung Young Kim

Little egg-head?

Recently the Child-Development class of Mrs. Angela Boyle has taken on an unusual and rather dramatic project. Each student was given a hard-boiled egg, which was to be their very own "child." For three days it were a human

Do you know these people?

This year we may walk down the corridor and encounter many unfamiliar faces. New teachers have arrived, not only to teach, but also to learn.

To learn a little about our new educators we interviewed them. Here are some of the results:

Miss Heim (English and Social Stuies):

Miss Patricia Heim has already gotten herself involved in the C.D. community by becoming Pippin Production Director and Freshman Class Moderator. Miss Heim has received a B.A. in English from Penn State and earned her Masters at Beaver College.

Mr. Michuda (Social Studies):

Mr. William Michuda previously taught at Ryan and LaSalle High. He chose teaching because of the challenge to shape and influence young people's ideas and opinions. In addition to his duties here, he is the varsity basketball coach at Penn Charter having previously guided Lasalle High to

Mr. Meehan (Art):

Mr. John Meehan chose teaching to support himself while painting. A graduate of Temple and then art school, Mr. Meehan also has been coaching gymnastics for over nine years.

Sr. Joan Gertrude (English):

". . . has been impressed by faculty and students," who, in Sister Gertrude's words, have been "pleasant." She has attended Villanova and Stanford Universities.

Father Lowe (Religion):

Father is a graduate of C.D.'s rival Father Judge. Father Lowe is already Student Council moderator and says "I have enjoyed my welcome at C.D. I feel accepted by the students and faculty and I am glad to be part of such a fine school."

Father Holmes (Religion):

Father is director of C.S.C. To students he advises, "You are growing up in a very difficult age with many pressures and a great deal of confusion. While this process can be a very harsh experience, at times it can be a very rewarding experience as well."

known throughout the school for his great contributions to Dougherty's theatrical performances yet both his teaching experience and artistic talent have been previously employed by such schools as Northeast Catholic and Bishop Kenrick.

His choice of a career in teaching was centered in his belief that he could make a positive statement to teenagers at this very difficult stage in their lives.

"I always teach by example by telling them never sell yourself short and always reach for the top [because] nothing is beyond their reach of determination."

This statement is typical of the great interest Mr. Brennan takes in the students of Cardinal Dougherty and the direction of their lives.

As director of dramatics he has encountered a great number of our students over the past five years and when asked what he liked best about Dougherty, one of his responses was that he liked the different blend of students and how each has the ability to learn from one another.

It would seem that this director of drama treasures learning as an ultimate goal worth working on throughout one's life and as a tool used for the achievement of one's goals.

In respect to this, his closing comments for the Dougherty community are priceless. "Many times I am sure the students question why we do certain things or why certain things must be taught, and I always try to counter that with the thought from Emerson. 'He can learn anything which is important to him, now that the power to learn is secured: as mechanics say, when one has learned the use of tools, it is easy to work at a new craft.'"

—Carolyn Reilly

Bob is a member of St. Helena's Parish and is actively involved in its CYO program. He has chaired several different committies there. The word "honors" has appeared often on his report card and when asked if he had a favorite subject he replied, "No, I like them all."

A starting member of the football team, Bob has played for four years and is positioned as a linebacker this year. He has been involved in the CSC for three years, participating in the Hand-in-Hand festival at St. Joseph University. Bob is currently the President of Student Council.

He feels that Cardinal Dougherty is a superior institution because it assists the

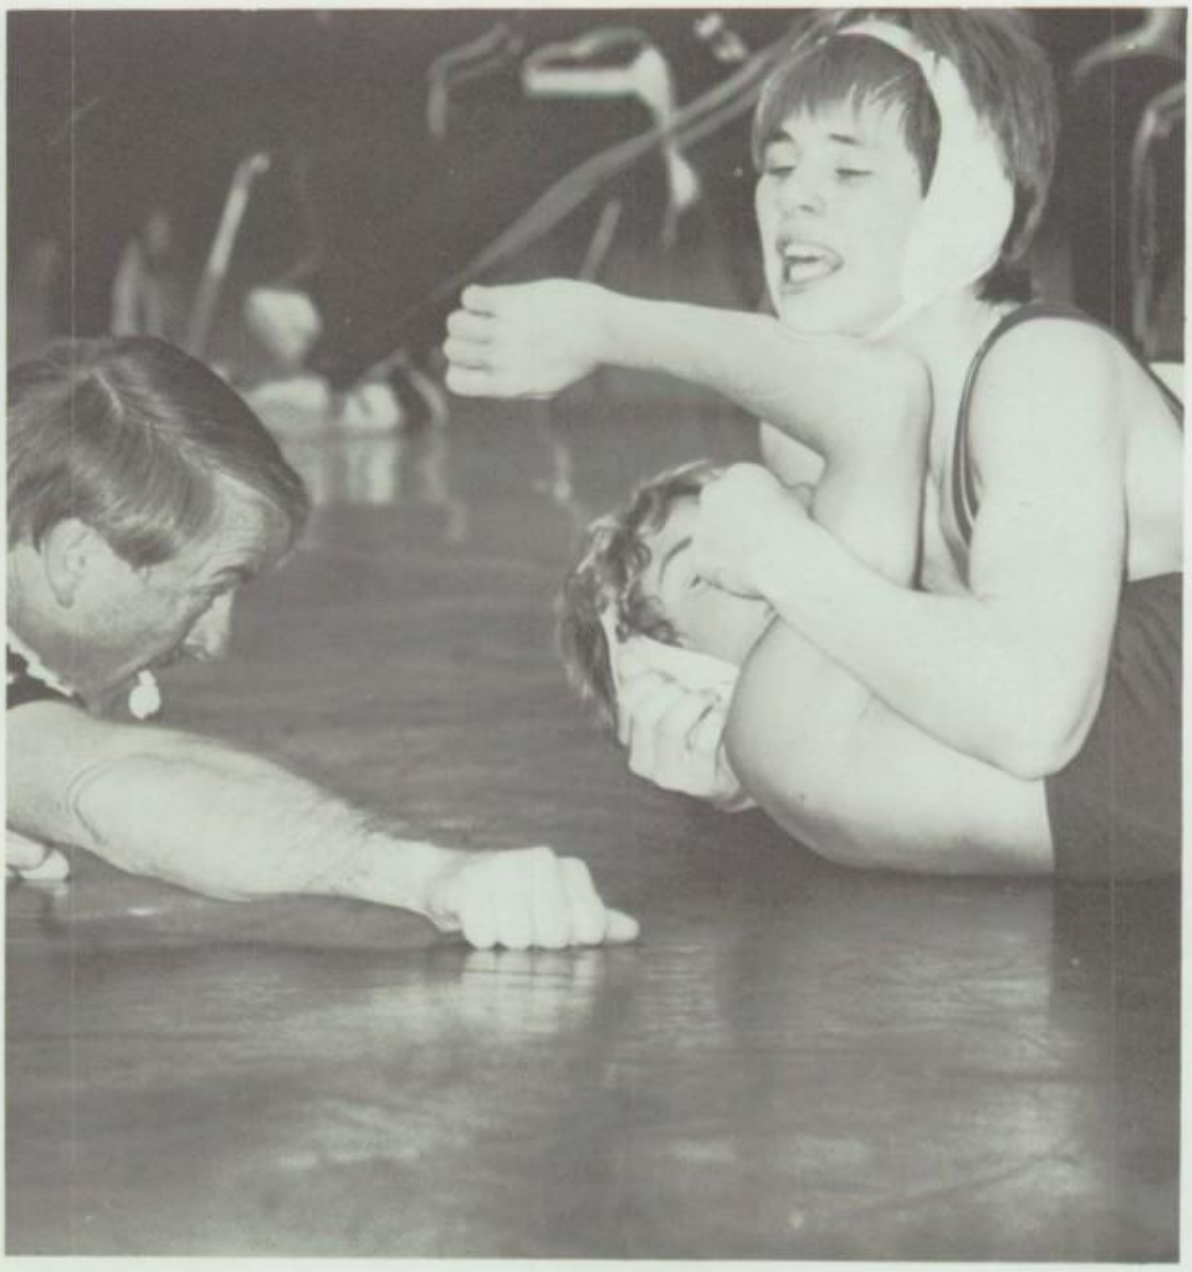
Up and over!

The leader of the pack.



Awesome hold.

"Look, Mom! I'm winning!"

The sky is the limit.

"Foul!"

"It's a bird. It's a plane. No, it's . . ."

Mark does it with style.

"You can do it, Ellen."

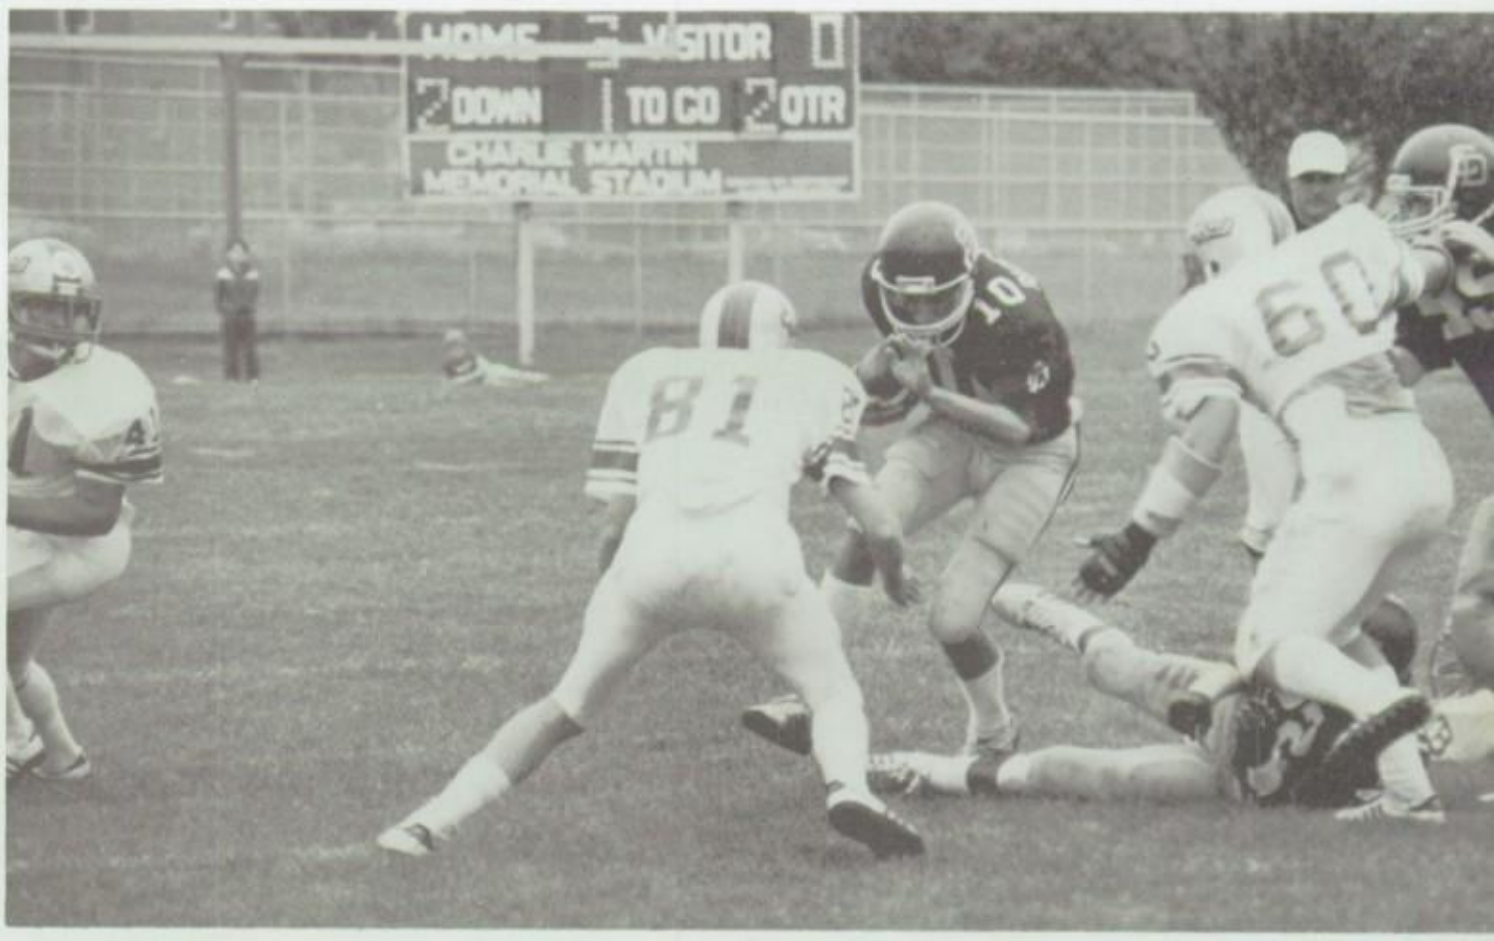
"Hey! I'm slick!"

"And this one's over the fence!"

"Do it to the funky beat!"

"This is how you do it."

"Move it, babe!"



"Please, don't hurt me!"

"Hey, Ref! Over here!"

"Vengence is mine."

1985-1986: THE YEAR IN

BOYS' BASKETBALL

One noticeable thing about the boys' basketball team this year is their unity and team spirit. Coach Mark Humerdinger started his coaching career when today's seniors were freshmen.

Because of injuries the preseason game was not what the team expected. However, the regular season was quite good. In fact, they are one of the best teams in the Catholic League. The team captains were John Jones, Nick Horne and John Pryzbylinski.

BOYS' WRESTLING

The boys' wrestling team, coached by Jack Sills, did quite well this season. Overall, they ranked in fifth place. Their toughest rivals were Archbishop Wood and Bishop Egan. The team captains were Joe Kretz, Eric Murray and Mark McPeak. The Junior Varsity coaches were Jim Walsh and Dan Mialitti.

BOYS' BOWLING

The boys' bowling team had a good season this year. The team made it to the playoffs and their final record was 25-11. The team was coached by Mr. Jack Dougherty and the team captain was Mark Heidiger. The team looks forward to a great season next year.

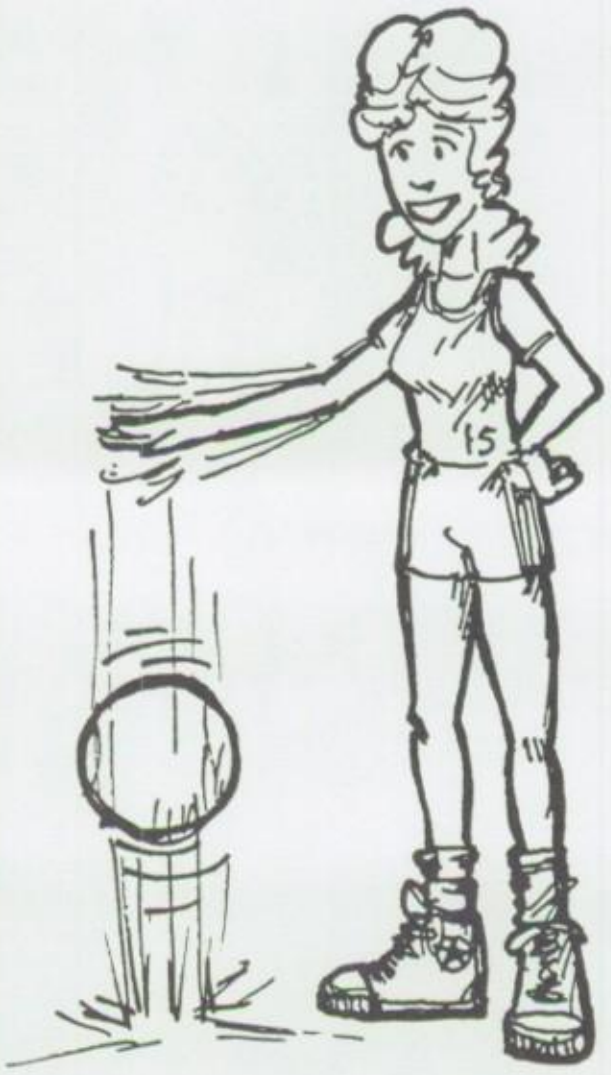
GIRLS' TRACK

The Girls' track team is even better this year. The team always persevered to give their best during the meets. They did better in the second part of the season. The freshmen and sophomores on the team were remarkable. The team captains were Ellen McGuinn and Maureen Jackson. The team was coached by Mr. Clifton Smith and Miss Anne Galasso.

REVIEW...FALL

GIRLS' BOWLING

The girls' bowling team, coached by Mr. Brandley, had started practicing and preparing themselves since late fall, every afternoon at the Adams Lanes. Their persevering efforts paid off because the team tied with three other teams for second place. The Junior Varsity ranked in fourth place in the overall competition. This year's captain was Kellie McLain.



GIRLS' BASKETBALL

In spite of a tough season the girls' basketball team was never discouraged. If success were measured by effort and spirit, the squad would be an unqualified winner. Coached by Mr. Charles McErlane and with Captain Kellie Ryder, the Lady Cardinals were led in scoring by Jenifer Adair, while Karen Thompson was the leading rebounder.

Despite a poor win-loss record, the Lady Cardinals played with class and determination and show promise for the future.

BOYS' TENNIS

The 1986 tennis team is a strong, experienced team. Four out of six starters are seniors, the other two are freshmen, with Bob Wright as Captain.

The team won 9 out of their 11 matches in 1985, and Brian Clark and Bob Wright made All-Catholic. This year's team is more balanced and versatile and serious contenders for the Catholic League Championship.

Under Coach John Saunder, the Dougherty tennis team has the best winning percentage out of all Dougherty teams since 1979.

1985-1986: THE YEAR IN

GIRLS' TENNIS

The CD girls' tennis team, which had been a spring sport was switched to the fall sports slot. In addition to its season change, the team consisted of only five of its original members from last year and a new coach, Patricia Finan.

The team finished its season with a 3-8 record. This season had been a learning one. They have improved greatly and are no longer inexperienced. The team looks forward to a winning season next year.

FOOTBALL

The football team, under the leadership of their new coach Mr. Gene Kane, started off the season with a five-game winning streak and they kept their opponents from scoring. This was, however, a misleading dream in the hopes for championships because after our McDevitt game, we never again experienced the thrill of victory. Although we put all of our CD effort and spirit in every game, it was in vain.

Our last game and hopes for even a playoff were crushed when we were defeated by our worst rival, Father Judge, 7-6.

This year's captain was the hard working Matthew Andris.

BOYS' TRACK

Throughout the past four years the track and field team has been a dominant force in the Catholic League, winning five out of the last six championships. The team contains the fleet-footed Lee Adams, Chris Scarborough, Damon Williams, Ajay Raju, and Roman Osidach. In the field events newcomer Charles Qualiteri and discus record-holder, Mark Rusas, are big pluses for the finely-tuned championship team. Under the tutelage of Coaches Jack St. Claire and Fran Carolan the team strides to gain more respect for the name Cardinal Dougherty. The team is a disciplined group of young men, who work hard and long in order to bring pride to our school.

REVIEW...WINTER

BOYS' SOCCER

The 1985 soccer team was a senior oriented team with seven or eight seniors starting, that did well in the preseason and rated in the top twenty of the Southeastern Pennsylvania teams.

The regular season was a disappointing one and ended up with a 7-7-2 record, short of a playoff spot. The team was coached by Hugh McInaw with captains Jim Davis, Bob Wright, and Dave Devine. Jim Davis made All-Catholic and Bob Wright and Mike Vozzelli made the All-Catholic second team.

BOYS' CROSS COUNTRY

The boys' cross country team had a tough season this year. They were up against strong rivals in Monsignor Bonner and Archbishop Wood.

This year's captain was Damon Williams, a junior. The team looks forward to a better season next year.

GIRLS' FIELD HOCKEY

The Cardinals' field hockey team had one of its best seasons this year. The team's offense, consisting of All-Catholic Mary McGrath, was powerful and aggressive. The teams' defense, with All-Catholic goalie, Judy Morrisey, and Kellie Ryder, who also received Honorable Mention, was practically unscored on.

The team went into the playoffs against Kenrick. The game was hard-fought and is said to be one of the toughest games ever played this year. It ended in a 1-1 tie and remained tied even after 20 minutes of overtime. The final result was a victory for Kenrick and a moral victory for us.

GIRLS' CROSS COUNTRY

The girls' cross country team, coached by Anne Gralasso, did very well this year. Although the team had problems defeating several schools, they overcame these difficulties quite successfully. The team either finished first or second in their meets at Belmont Plateau. At the Salesianum Invitational in Delaware they finished fourth and also fourth out of twelve in the Cross Country championship. Ginny Tomlinson, a freshman, and Kellie Craig, a sophomore, made All-Catholic.

FOOTBALL: ALL CATHOLIC — 1st team: J. Lauch, M. Rusas, M. Andris.

FOOTBALL: ALL CATHOLIC — 2nd team: R. Wright, D. McGeehan, L. Richardson

SOCCER: ALL CATHOLIC — 1st team: J. Davis; 2nd team: R. Wright, M. Vozzelli.

SOCCER: ALL CATHOLIC — 1st team: P. Gillespie; Hon. Mention: M. Coyne, 2 team: M. Tracey.

ROSS-COUNTRY: ALL CATHOLIC — G. Tomlinson, K. Craig.

IELD HOCKEY: ALL CATHOLIC — Hon. Mention: K. Ryder, 1st team: J. Morrissey, I. McGrath.

SPECIAL AWARD: Scholar/Athlete Award for the Catholic League: M. Rusas.

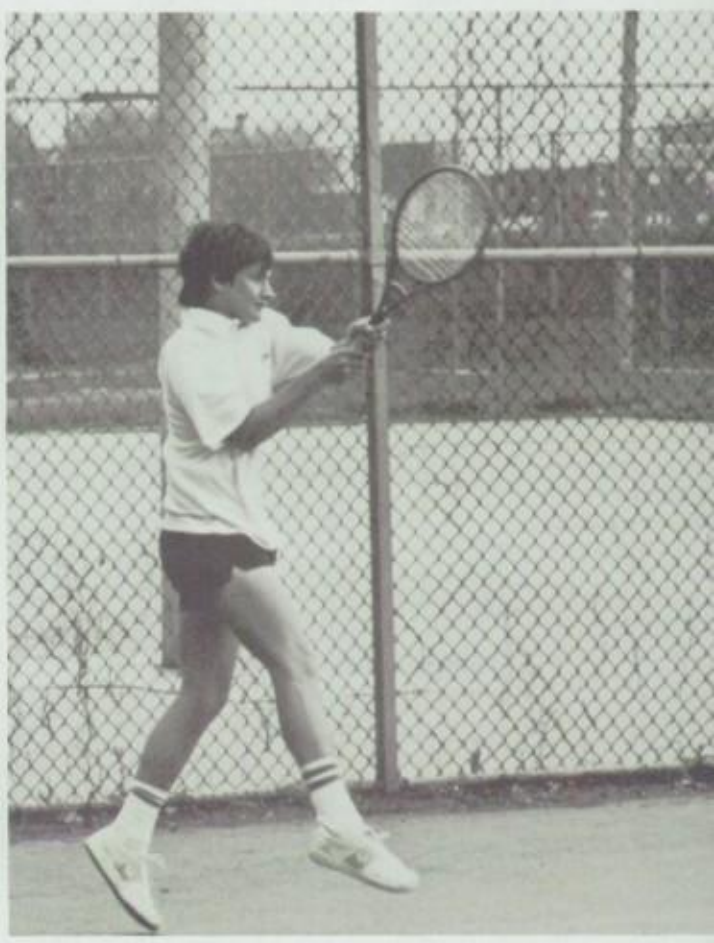
The Slugger.

Four-point landing.

Add another strike for Charlie.

C.D. all the way!

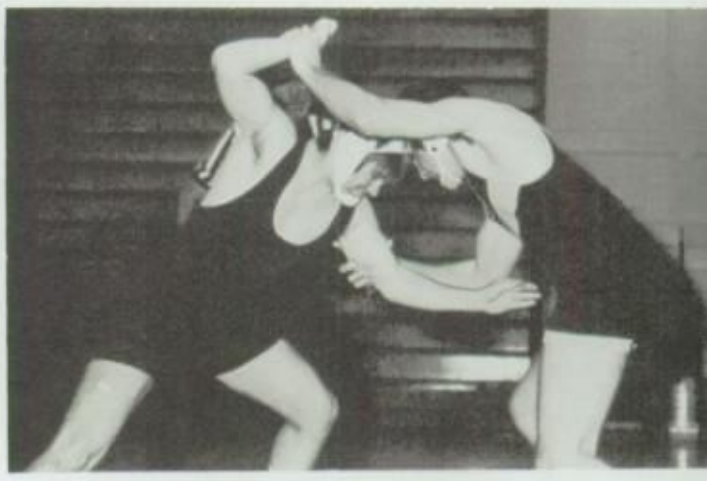
"This one's mine!"



Airborne.

"When's my turn?"

"Give me a 'C,' give me a . . . !"



"Oh, no you don't!"

s all in the eyes.

wer!

"Gee, that basket's high!"

Connection.

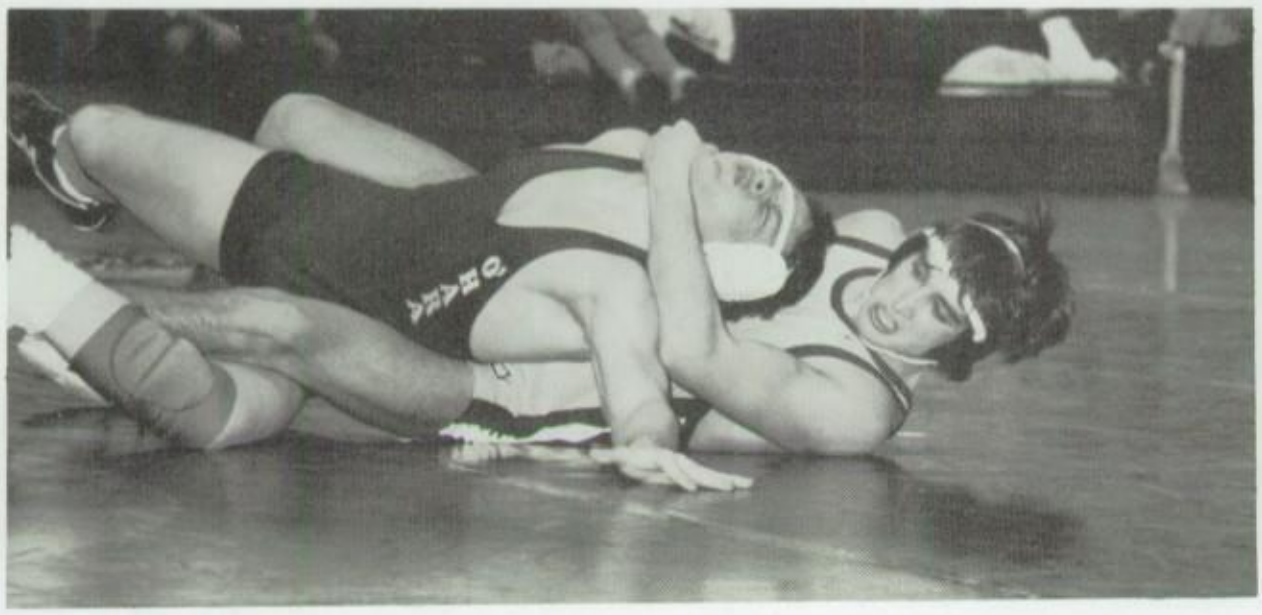
Next year . . . the Pros!

"Off my back!"

"Darn gnats!"

"Friends."

Even Superman can't stop the Cardinals.



"Say uncle."

The "foot".

Fancy footwork.

Breakin' away.

Faster than a speeding bullet!

The rest don't have a chance.

"Now I'm getting serious!"

"Here it comes!"

"Team, this one's for you!"

What form!

"Oh, no you don't!"

A Chorus Line.

Oh! what a feeling!

"Cut him off at home!"

"That one's gone!"

Only five more miles to go.

"Go ahead. Make my day!"

Out of my way!''

''Yea! We won the toss!''

vo more for C.D.

Who'll get it?

''You ain't got a chance.''

DREAMS

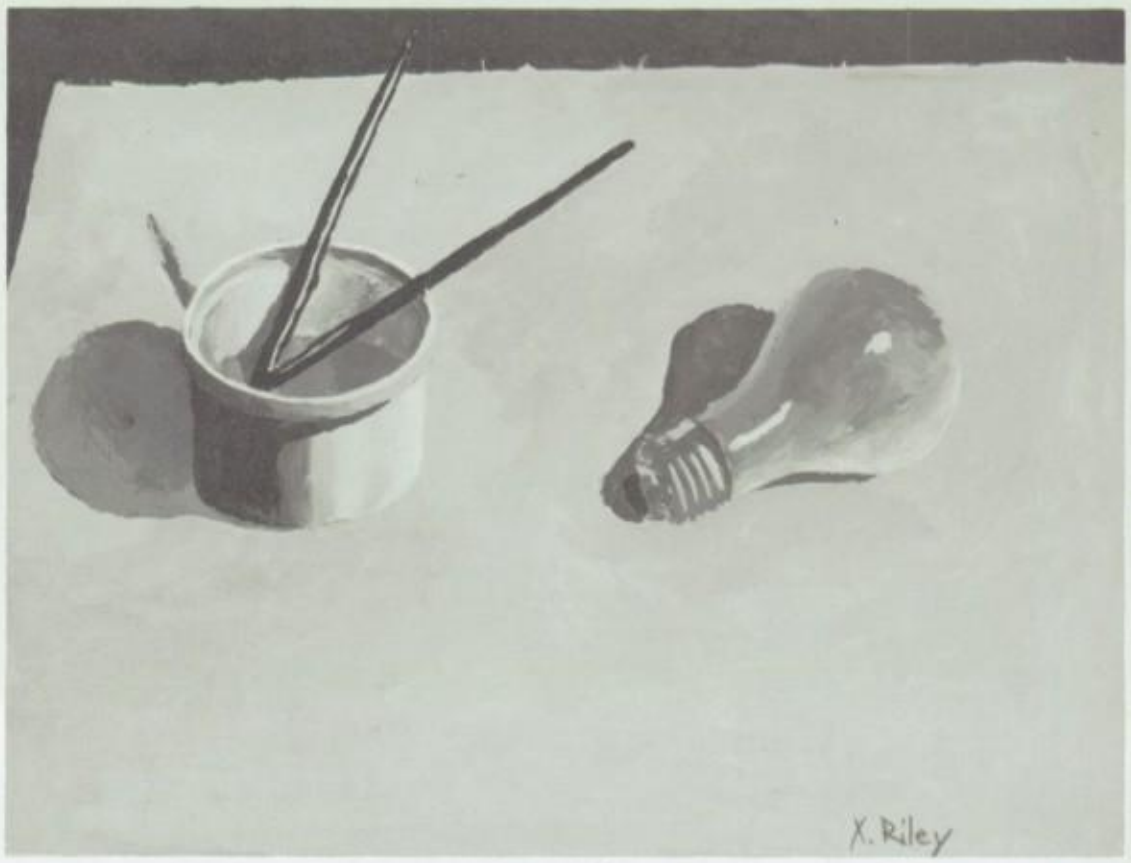
Dreams are a mystical fantasy,
A place where all bad fades,
Love becomes real and
happiness overflows,
One becomes at peace with one's self.

WINTER'S TOUCH

The hills pass from green to gray
And light passes quickly from the day.
All nature knows the time is near
For winter's touch to spread its fear.

Birds are winging to the south
And summer leaves all have past.
Flowers die and the winds grow fast
And we miss the warmth of the summer's su
And long for dreams that are already done

When youth is long the time passes slow
But as years pass the seasons are fast to go,
But dreams that are sweet forever stay,
Keeping searching youth and oldsters gay.



MY FOUR YEARS

My four years in high
school were truly immense.
I can distinctly remember
when freshman year commenced.
The following two years,
as a sophomore and junior;
Wishing for senior year
to come sooner.
Now that senior year has
arrived and soon will be done.
I will always remember the
good times and the fun.
The many friends and
memories will always be there.
And I'm sure that in graduation
celebrations we will all share.

DANCE

. . . Emotion . . .
It is the unity of mind and body expressing
Emotion through music and movement.
It is the soul consumed by
Emotion . . . an experience all its own.
It is the revelation
Of uniqueness in personality, thoughts and feelings.
It is Ballet . . . as captured by Baryshnikov.
It is Jazz . . . sharp and scintillating.
It is Modern . . . imaginative, perhaps abstract.
It is a mood
Created through style and grace.
Dance . . . is an Art!

WHY?

As I look into the deep
blue sky,
I wonder why?
When I see the remnants
of his life,
I wonder why?
When I heard the tragic
news
I wondered why?
When I saw him for the
last time,
I wondered why?
He had a wife and a
baby boy,
So I wonder why?
He was an idol of mine,
So I wonder why, my Lord,
you took my brother
from me?

THERE NEVER HAS BEEN NOR WILL THERE EVER BE

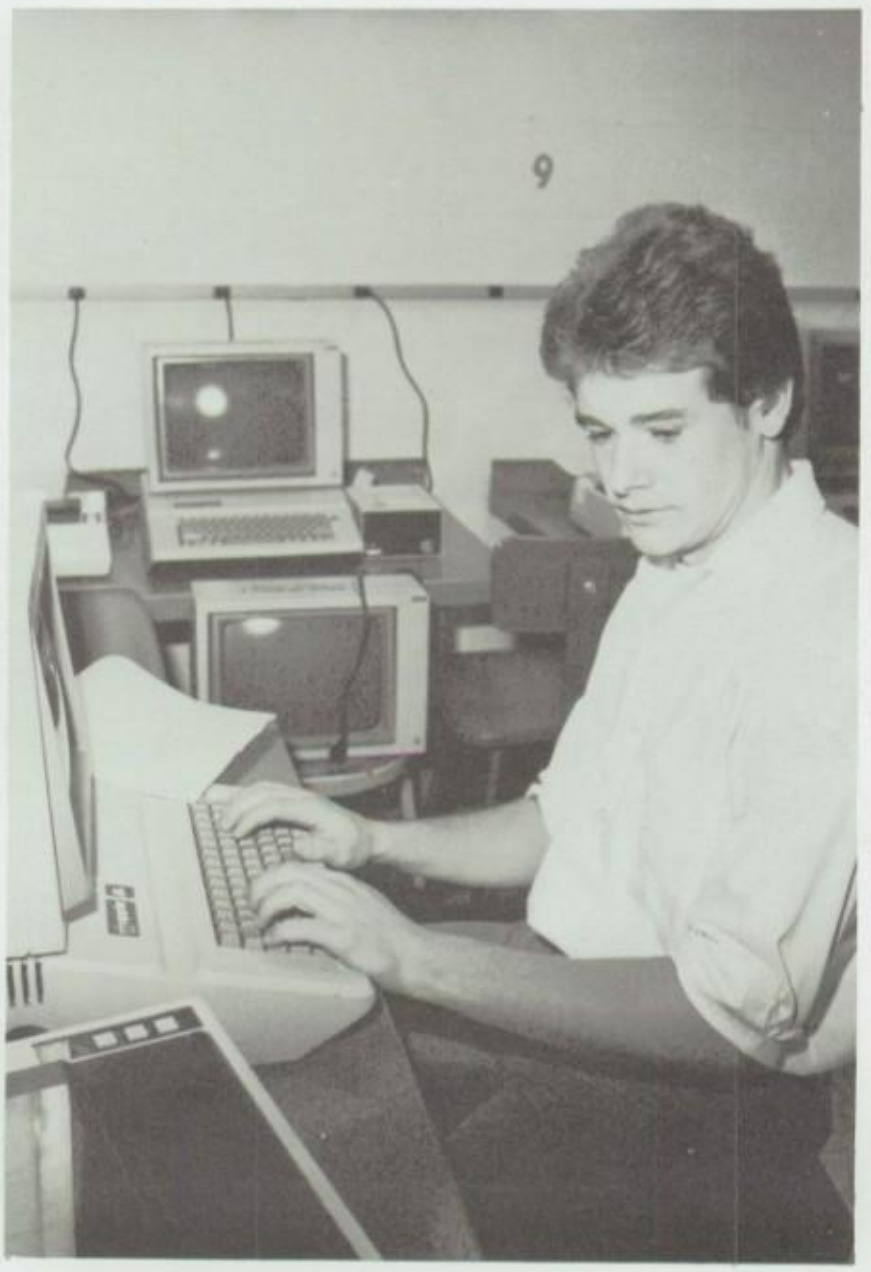
So, it is said that there are
no two alike made from the
depths of the winter skies.
Neither shape, size nor design
do any two possess of the
samv kind.
Through centuries ago and those
yet to come,
There never has been nor will
there ever be two of a kind.
So, it is said that I too am
of one kind:
Made from the depths of the
Creator's mind.
Neither personality, belief,
nor virtue does anyone possess
of the same kind.
Through centuries ago and those
yet to come
There never has been nor will there
ever be another one of me.

Randolph Skills Center

The Bureau of Statistics of the U.S. Department of Labor predicts that 80% of new jobs opening up during the 1980's will not require a college education. Taking note of this information, many of the students of C.D. have taken advantage of the opportunity presented to them by taking part in the share-time program offered at the Randolph Skills Center, located in the East Falls section.

A successful completion in this program offers a student the opportunity to acquire from the center a valuable skill, even before high school graduation, as well as a high school diploma from Cardinal Dougherty High School. Classes are attended on alternating days between C.D., where such subjects as English, Religion and Social Studies are learned and at the Center where a multitude of programs, ranging from power mechanics-engine repairs, etc. to health services including medical laboratory assistant are offered. The program is open, of course, to both boys and girls.

It is a rewarding feeling to know that upon completion of high school here at Cardinal Dougherty a student could have a well-paying job waiting for him/her in their chosen field.



The Class of 1986, have spent their last days as students of Cardinal Dougherty High School. It is their time to go. But as they go, they take memories which are uniquely their own. They are the last class to have experienced a divided Dougherty, Boys Division and Girls Division, girls I.D. pins, and a split cafeteria.

As the Class of 1986, they have touched the hearts of many people and changed their lives. They have carried the flame of Dougherty tradition, but the legacy has ended.

Now, as they don caps and gowns, they pass the flame on to the Class of 1987. It is their turn to continue the tradition and create a few of their own, just as the class of '86 has . . . good luck to the class of '87.

IN MEMORIAM

Through all the good memories, we, the Class of '86 have to take with us through life, we can never forget the loss of a friend or someone close to us. In January of 1985, Hector Galvis, Joseph Pilgrim, and John Peterson were taken from us in a tragic accident. It was a very emotional and trying time for family, friends and classmates alike. It is hard to understand why someone must leave us so early in life. Although they are not here with us in the present, we must remember that life goes on in heaven as well as on earth. We learn through Scripture that God gave us life in heaven as our eternal reward. As we live on, their presence will always be in our hearts and their everloving memories will never be forgotten. We ask God to bless and watch over them for they will live on in our memory and in the presence of the Lord forever.
